	:	
ANTHONY LAVERGHETTA, R.P.	:	CONSENT ORDER

	:	

This matter was opened to the New Jersey Board of Pharmacy upon receipt of information that Anthony Laverghetta had engaged in the unlicensed practice of Pharmacy in that he dispensed prescriptions as pharmacist-in-charge without a valid registration, respondent's registration having expired on April 30, 1981, and not having been renewed since that date.

Respondent, admitting to the aforementioned conduct, and the parties having agreed and consented to the resolution of this matter without the necessity of the Board seeking injunctive relief in the Superior Court of New Jersey, and respondent understanding the terms and conditions of the within Order, and it therefore appearing that due cause exists for the entry of the within Order,

IT IS ON THIS 8th DAY OF June, 1994
ORDERED AND AGREED:

1. Until further order of the Board, Anthony Laverghetta shall cease and desist in the practice of pharmacy in any manner or form, including but not limited to the following: he shall not be present in the prescription area of any pharmacy; he shall not handle, order, inventory, compound, count, fill, refill or dispense any drug; he shall not engage in the acceptance of any prescription in person or by telephone; he shall not engage in the verification of refill authorization by telephone; he shall not advise or consult with any person concerning the properties and actions of drugs; he shall not handle or dispense prescriptions; he shall not type labels for prescriptions or enter information on profile cards.

2. Anthony Laverghetta t/a People's Pharmacy shall surrender his most recent renewal and the original permit to operate a pharmacy contemporaneously with the entry of this Order. All pharmacy operations shall be terminated pursuant to N.J.A.C. 13:39-4.8 and 5.7.

3. Anthony Laverghetta shall be forever barred from holding a permit to operate a pharmacy in the State of New Jersey.

4. Anthony Laverghetta shall be permitted to apply for reinstatement of his license to practice pharmacy subject to the following conditions:

continuing education credits due from April 30, 1981 (the date of expiration of respondent's registration) to the date that respondent makes application for renewal of his certificate of registration. Fifteen continuing education credits per year must be on file with the Board prior to the issuance of any renewal certificate.

b) All renewal fees due from April 30, 1981, in accordance with N.J.A.C. 13:39-1.3 and a civil penalty of \$2,500.00 shall be paid prior to reinstatement.

c) In accordance with N.J.A.C. 13:39-3.14, respondent shall satisfy the Board that he is well versed in the laws governing the practice of pharmacy in the State of New Jersey by attainment of a passing score on the New Jersey Pharmacy Law Exam.
